RESOLUTION
of the
CITY OF
MINNEAPOLIS
By Goodman

Approving Business License Operating Conditions relating to the Extended Hours License held by D P Dough, 1501 University Ave SE, Minneapolis.

Resolved by The City Council of The City of Minneapolis:

That it approves the following Business License Operating Conditions relating to the Extended Hours License held by D P Dough, 1501 University Ave SE, Minneapolis:

1. D P Dough will have extended hours on Sunday until 2:00 pm, Monday through Wednesday until 3:00 pm, and Thursday through Saturday until 4:00 AM. Should the licensee wish to add additional hours, a new application will need to be submitted to Business Licensing for review.
2. The licensee shall take all necessary and prudent steps to avoid violent incidents from occurring at their establishment by assessing customers behaviors and removing any customer who acts in a belligerent, loud or otherwise disruptive manner. If any criminal activity is observed, security must escort the customer from the premises and request Minneapolis Police assistance at the exit of the business.
3. The licensee will ensure no alcohol will be allowed into the establishment, along the frontage of the establishment, or in the businesses designated parking area per Minneapolis Ordinance 372.20.
4. The licensee will not provide outdoor speakers.
5. Music from the internal speakers will be kept to a reasonable level so that the sound cannot be heard outside of the establishment. To prevent music from emanating outside, the doors to the establishment will not be propped open unless taking deliveries, then immediately closed.
6. The licensee shall not allow customers or passersby to loiter for any purpose inside the restaurant, along the frontage of the business or in the designated parking area.
7. The on duty manager and staff will address all concerns regarding customer behavior and manage any queue line should one form. Should staff need further assistance when dealing with a customer, building security will be called and then police as needed to address any unwanted patron behavior.
8. No person who appears to be obviously intoxicated will be allowed to enter the restaurant.
9. To assist in the prevention of reoccurring disturbances by known persons, the licensee shall compile, maintain and share with the 2nd Police Precinct a "Do Not Admit/86" list of persons who have been trespassed and/or refused service.
10. Signs will be posted at all times asking customers to respect the establishments' neighbors by leaving in a quiet manner.

11. The licensee will not allow any new customers into the establishment within 15 minutes of closing time. All patrons will be removed from the premises by closing time each night and the doors secured.

12. Dedicated security staff shall assist in crowd dispersal for at least one half hour after closing of the establishment to prevent loitering.

13. The licensee will not distribute hand-bills advertising to anyone walking on city sidewalks, streets, or alleys; nor place any on parked motor vehicles.

14. The licensee will collect all litter within 100 feet of the exterior of the building housing the licensed premises on a daily basis.

15. If there is a need for a queue line, the licensee shall take all reasonable measures to contain such line within the confines of the restaurant. Should it become operationally necessary to have a portion of the queue line run outside, security staff will ensure no one else will be allowed to join the line until the line has shortened. The line will be continuously monitored by security staff to ensure any person in the queue line who becomes loud and boisterous or otherwise makes a disturbance be immediately removed and asked to leave the area.

16. The licensee will hire dedicated uniformed security or police officers to provide security if the walk-in traffic after 1:00 am results in the queue line extending outside two or more times a week.

17. The licensee will close the doors to walk in traffic at 3:00 am and operate solely as a delivery operation until 4:00 am if any documented complaints are received by the Licensing office.

18. The licensee shall follow the terms of the business plan and security plan as submitted with the restaurant application. Should it become necessary, the licensee shall meet with representatives of the City of Minneapolis to discuss safety, security or operational concerns and make changes to the plans as deemed appropriate.

19. The licensee agrees to post their business hours on their front entrance glass door or glass pane directly adjacent to the front door, in professionally done lettering.

20. All delivery drivers are to be back to the store by closing time.
